GREAT BRITAIN ONE OF THE COUNTRIES TO SEND ACCEPTANCE

Italy Also Signifies Her Willingness and China is Expected to Reply Favorably in Near Future—No Word Yet from Japan—Meetings to be Held in Washington

WASHINGTON, July 13.—Additional pledges of co-operation reached Washington from several quarters today in response to President Harding's proposal for an international conference on limitation of armaments and other world problems.

EMERY SAYS THAT AMERICAN LEGION TO KEEP UP FIGHT

Will Not Recede from Action to Get Compensation

INDIANAPOLIS, Ind., July 13.—The American Legion will fight on for adjusted compensation without change in the provisions of its present program following the message of President Harding urging delayed action, John E. Emery, legion national commander said in a statement issued today.

France, having previously expressed her willingness to take part, the only invited power from which no sort of an expression had been received tonight at the Japanese government however, and in Japanese quarters here it was indicated that the delay undoubtedly was due to the formalities of consultation among various branches of the Japanese government which are necessary in the decision of an important public question.

State department officials would not reveal whether any formal communications on the subject had been received from governments not invited to participate, although it was understood that no advice of an adverse nature at least, had reached the department abroad. So far as the reports here indicate, sentiment abroad is content with the president's decision to have membership of the conference limited to the big five powers and China.

Meetings in Washington. Press despatches indicating that some British statesmen desired to have the preliminaries of the conference held in London were not taken seriously either in British quarters here or by officials of the administration. It was pointed out that the British government had accepted definitely the president's proposal for holding the conference here, and that later a qualification from London was scarcely to be expected after the discussion had reached such a positive stage.

Among high American officials there was manifest a strong sentiment that the whole conference should be held here both on account of the facility of business and because of the feeling that America was entitled to be the host since she has initiated the movement and issued the invitations. It was apparent also that convening of the meeting on American soil would be reckoned here as giving the administration an opportunity better to keep in touch with the pulse of American public opinion and more easily to marshal public sympathy and support for the efforts of the negotiators.

It was indicated that so far no effort had been made to determine which of the two big subjects to be discussed, limitation of armaments and the Pacific situation would be taken up first. It was pointed out that the delegates might very naturally find it advisable to arrive at an agreement on the situations threatening international friction before they turned attention to armament reduction, but at the same time it was emphasized that the decision as to order of business and other details must rest with the delegates themselves.

HOUSE SPENT THE DAY DISCUSSING FORDNEY TARIFF

Expect to Conclude General Debate on Measure Today

(By The Associated Press) WASHINGTON, July 13.—The house ran under high pressure today and at a session tonight in its consideration of the Fordney tariff bill in anticipation of the concluding of general debate on the measure tomorrow. Arguments for and against the bill were presented by more than a dozen members during the day while others added to the volume of debate at tonight's session.

Outstanding in the day's discussion was a defense of the bill by Representative Green of Iowa, ranking Republican on the ways and means committee who contended that it would not result in a reduction of American trade and a criticism of several of its provisions by Representative Carey of New York, a Democratic member of the committee.

Mr. Carey attacked the American valuation policy embodied in the bill and also departed from discussion of the bill's details to declare that the country's interest in the tariff was lagging to the point where it no longer regarded congressional action on the measure in a serious manner.

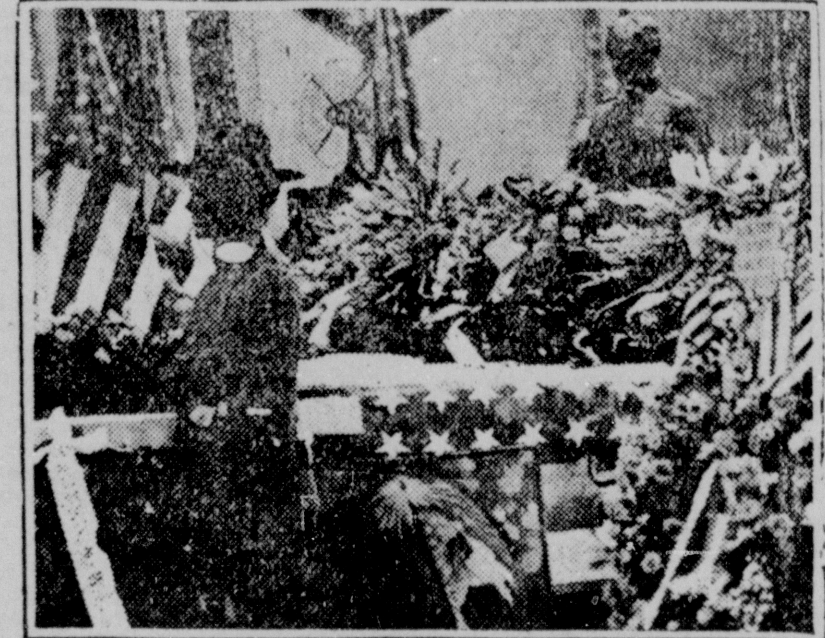

Thousands Leave Farms. Representative Hawley of Oregon, another Republican member of the committee, discussed the benefits which, he said, would accrue to the farmers through the agricultural schedule. He read statistics to show that eighty thousand farmers had left the land in the last decade and inquired whether it was not time to let them know that the government was interested in their problems.

The possible effect the rates would have on the war built merchant marine was touched on by several Democrats. Representative Kinchelo of Kentucky, especially inquiring whether the Republican party was going to "kill the fleet again."

No ships could continue in operation if they were able to handle cargoes only outbound, he contended, adding that the "prohibitive rates" drawn by the Republicans would have that result. The Republicans were also taken to task by Representative Huddleston of Alabama, for what he described as a willingness on their part to "open the treasury to the railroads again."

The party leaders, he declared, appeared not to be content with "the rates allowed by the transportation act" and would not refuse the "unlimited demands which the railroads now are making."

Condensed Telegraphic News

(By The Associated Press) ROCK ISLAND, July 13.—The tri-cities were promised some relief today after the temperature went to 102 yesterday, the highest in ten years. The thermometer rose to 89 at 9 a. m. this morning one degree below yesterday's 90 a. m. record. There have been no reports of heat prostrations.

DECATUR, July 13.—Temperature in Decatur at 7 a. m. today was 81, one degree higher than at the same hour Tuesday. The highest official record here Tuesday was 99.

DANVILLE, July 13.—Local ice companies have been forced to ration ice to consumers on account of heavy demand. They declared the situation cannot be improved until the heat waves pass. Farmers' report considerable damage to crops caused by the excessive heat. Yesterday's maximum temperature was 104.

QUINCY, July 13.—Yesterday was the hottest day of the season, the official record being 102. Today started out with a higher mark and the prospects are that the thermometer will go still higher today. No prostration has been reported.

ROCKFORD, Ill., July 13.—With the mercury reaching 104 on two successive days, there was no relief in prospect today. One death from the heat occurred yesterday.

BLOOMINGTON, July 13.—At 8 a. m. today the thermometer registered 92. Yesterday it registered 99 making that the warmest day experienced here for five years.

MOLINE, July 13.—For the twenty-eighth time in the last fifty years the mercury in the United States weather bureau yesterday reached the one hundred mark. Officially the temperature stood at 101. Factories here have long been closed due to the industrial depression and heat prostrations have been few.

SHILOH CHURCH TO HAVE ANNIVERSARY

Semi-Centennial of Building of Church to be Observed Next Sunday With Appropriate Program. At Shiloh, north of the city, fifty years ago, a new and attractive church building was dedicated. The semi-centennial anniversary of that event will be observed at the church next Sunday, with the following program: 9:30 a. m. Sunday school followed by a song service. 11:10 a. m. Sermon by Dr. E. L. Fletcher. At the noon hour the ladies will serve a basket dinner, cafeteria style. In the afternoon there will be addresses by Dr. Fletcher; by the pastor and by others. The pastors of Shiloh church have been some of the ablest ministers of the Illinois conference, among the number being: Revs. J. P. Dimmitt, A. M. Danley, A. L. Ploewman and H. F. Cusic. A cordial invitation is extended to all to spend next Sunday at Shiloh.

HOT IN CALIFORNIA

People are accustomed to think of the climate of California as always delightful. This doesn't seem to be the case, however, as Frank Leach of the Farmers State Bank yesterday received a letter from his uncle, Mr. Swales, in which the writer mentioned that the temperature that day was 114. In fact, it was too hot for a long letter. Mr. Swales, a former resident of this county, is now resident at Los Gatos, Calif.

WATER NOT YET GOOD FOR DRINKING PURPOSES

City Authorities Wish to Make Further Tests—Issue Warning to Public. City water authorities have issued a warning to citizens against the use of city water for drinking purposes. They caution the tests which have been made by the local department and by the state department of health have found nothing in the water which would make it unfit for drinking, the officials are withholding their approval until daily tests and bacteriological analyses can be made. The apparatus for these tests was ordered two weeks ago from New Jersey, and is expected to arrive soon. Two weeks will be required to install the equipment. Two hundred bacteria per cubic centimeter are allowed by the standards of the United States Treasury department. Preliminary tests of Jacksonville city water showed only 15 bacteria at one time, and 13 at another. About 1,250,000 gallons of water per day are now being pumped through the city mains. This makes the city revenue from water about \$2,500 per month.

MEDICAL SOCIETY TO MEET TODAY

The Medical Society of Morgan county will hold a picnic at Nichols Park Thursday evening, at six o'clock. At seven o'clock, Dr. I. D. Rawlings of the State Board of Health, will make an address. Anyone interested in the public health work of the county is invited to go out to the park and hear Dr. Rawlings.

MORE WITNESSES ARE EXAMINED IN GRAND JURY QUIZ

Former Vice President of Small's Banking House on Stand

(By The Associated Press) SPRINGFIELD, Ill., July 13.—Three more witnesses in the investigation into the affairs of the state treasury during the regimes of Governor Small and Lieutenant Governor Sterling in that office were heard by the Sangamon county grand jury following a temporary interruption of the inquiry.

While the grand jury put the Small-Sterling quiz aside for several hours to investigate the case of Nick Crudden, saloon keeper charged with killing Lewis Gammones, a world war veteran, State's Attorney Mortimer went over evidence with witnesses in an effort to speed the investigation. Fred Mann, former vice president of the First Trust & Savings Bank of Kankakee, Governor Small's banking house, followed representatives of Swift & Co. and Armour & Co., Chicago packers, before the grand jury. It was said that State's Attorney Witmore of Kankakee county may also testify before the inquiry is completed. Subpoenas for several other Kankakee county citizens will probably be issued.

When the investigation is resumed tomorrow Harry Luehr, assistant state treasurer, is expected to be the first witness with records from the office. Supporters of both sides in the political war between the Small and Brundage factions of which the grand jury is a part, appeared satisfied with the course the investigation has taken so far. Governor Small's friends asked if the temporary lull was occasioned by a lack of inquisitorial ammunition, while Brundage followers indicated that the attorney general and state's attorney were satisfied with the evidence which they declared was valuable.

Bonds of Former Treasurers

The bond of Lieutenant Governor Fred E. Sterling when he was state treasurer is headed by Governor Len Small and the late Senator Edward C. Curtis of Grant Park. It is accompanied by affidavits showing the signers are worth at least the sums opposite their names above all debt. The sureties on Mr. Sterling's bond are as follows:

- Len Small, Kankakee, \$300,000;
- Edward C. Curtis, Grant Park, \$300,000;
- Adolph E. Schmidt, Beardstown, \$200,000;
- John Schultz, Georgetown, \$100,000;
- George H. Kuhlmann, Beardstown, \$200,000;
- Thomas K. Cordit, Beardstown, \$100,000;

- Otto F. Buße, Jacksonville, \$100,000;
- John Cherry, Jacksonville, \$150,000;
- Allinson Thomson, Markham, \$100,000;
- Andrew Russell, Jacksonville, \$300,000;
- Peter Saup, Cairo, \$200,000;
- Thomas J. Smythe, Cairo, \$75,000;
- Reed Green, Cairo, \$150,000;
- Oris B. Hastings, Edwardsville, \$100,000;
- George W. Meyer, Edwardsville, \$100,000;
- W. Lester Hadley, Edwardsville, \$100,000;
- Henry Frayes, Edwardsville, \$100,000;
- William Woodruff, Christ E. Henry, Winnebago county, \$300,000.

The bond of Governor Len Small while state treasurer is signed by residents from various parts of the state and affidavits state they are worth at least the sums opposite their names. The sureties are: Edward C. Curtis, Grant Park, \$100,000; Henry Beckman, Kankakee, \$200,000; August C. Radege, Kankakee, \$100,000; C. E. Robinson, Kankakee, \$75,000; Millard Dunlap, Jacksonville, \$300,000; Otto F. Buße, Jacksonville, \$100,000; John Cherry, Jacksonville, \$100,000; William George, Aurora, \$500,000; John S. Aisthore, Alexander, \$100,000; Oris B. Hastings, Edwardsville, \$50,000; Thomas J. Smythe, Cairo, \$50,000; John Schultz, Beardstown, \$200,000; Thomas R. Cordit, Beardstown, \$100,000; Adolph E. Schmidt, Beardstown, \$200,000; Henry C. Kell, Beardstown, \$150,000; George R. Kuhlmann, Beardstown, \$200,000; Clarence J. White, Beardstown, \$100,000.

Literberry, July 13.—The regular meeting of the Methodist Ladies Aid society was held Tuesday afternoon at the home of Mrs. Al Dunlap. There was a very good attendance of members and some guests were also present. A brief program was carried out, after which there was a brief social hour. The hostess served delicious refreshments.

STAGE IS ALL SET FOR CONVERSATIONS ON IRISH QUESTION

Premier Lloyd George and Eamonn DeValera Will Meet in Cabinet Room in Downing Street Today—No Definite Policy Outlined—May Withhold Details from Public

(By The Associated Press) LONDON, July 13.—A conversation which, it is hoped, may mark the last act of the phase of Ireland's troubled history and serve as a prelude to the long sought peace in the island is to take place in the dingy old cabinet room in Downing street tomorrow when the British prime minister, Mr. Lloyd George and the Irish Republican leader, Eamonn DeValera, meet in an effort to clear the stage for holding a "three party" peace conference in which Great Britain, the Sinn Fein and Ulster will endeavor to compose their differences.

Both sides have "propaganda mills" fully organized and ready for business, but both are silent. This reticence is heightened by the fact that a breakdown in the negotiations which are now finally under way would in all likelihood result in bitter recriminations, accusations and possibly the resumption of armed conflict—an aftermath which for Ireland would be a worse state of affairs than if the pourparlers had never been instituted.

But while there was little word for the public regarding the proceedings the eve of the conference saw intense activity in both camps. The premier reviewed the situation with a large staff of advisers in the solitude of his country home while Mr. DeValera spent the day and the evening in taking counsel with Arthur Griffith and other aides, accompanying him, together with many London partisans.

The government unofficially sought to encourage the idea today that Mr. DeValera's party had already been in close touch with the premier, even suggesting that members of the party had been at Chequers Court during the afternoon but Mr. DeValera's secretary stoutly denied that there had been any such conference.

Question as to Policy

To a question as to whether Mr. DeValera would enter the conference with a definite policy to which he was pledged to adhere, one of his associates said: "Two weeks ago any of us could have answered that query briefly and certainly, but the position is altered now."

Those who have followed recent events closely interpret this as an indication that the Irish leader would not press the claim for an independent Republic, but "play cards" in an effort to learn the utmost Great Britain was prepared to give which would be submitted to the Dail Eireann for consideration or acceptance.

Sir James Craig, the Ulster premier is crossing from Belfast tonight and will be at hand if the obstacles offered by the preliminary discussions are cleared. To what extent the public will be permitted to know what transpires within the conference chamber will be one of the questions to be determined tomorrow. Both camps manifest the belief that the purposes of the conference would be best served by withholding the details until a conclusive result is attained.

WILL MAKE NO REDUCTIONS

CHICAGO, July 13.—Disappearance of an abnormal volume of business due to the war, which made it unnecessary that rates be increased proportionately with costs, was given today in a resolution adopted at the convention of the American Hotel Association as the principal reason against a general reduction in hotel rates. Among other reasons which the hotel men claims makes a price reduction impossible for some time to come are the elimination of profits from sale of wines and liquors and the fact that cost of maintenance has not been lowered.

PLANNING THEIR ANNUAL CHICKEN FRY

The ladies of the Methodist Protestant church at Concord are planning to serve fried chicken and other good eats under a big tent, Thursday, July 27. The annual chicken fry of the Woodson Christian church will be held Thursday, July 21. Supper is to be served at six o'clock. Woodson band will furnish music for the occasion.

WILL VOTE FRIDAY TO RECOMMEND THE SOLDIER'S BONUS

Agreement Reached by Unanimous Consent Yesterday

(By The Associated Press) WASHINGTON, July 13.—An agreement for a vote Friday at 3 o'clock on the motion to recommend the soldier's bonus bill, was reached by both senate late today by unanimous consent.

The result of the vote, leaders of both factions agreed was not in doubt recommitment, as requested by President Harding in his address yesterday to the senate being deemed certain.

Senator Lodge of Massachusetts, Republican leader secured the agreement to the close of another day's assault by Democratic senators. Mr. Lodge said the recommitment motion was in the way of other important measures, such as the anti-beer and maternity bills. In agreeing to a vote, however, Democrats gave notice that they would not only oppose the Republican motion but also would seek to instruct the finance committee to report the bill back at an early date. Senators Watson of Georgia and Heflin of Alabama, led the Democratic attack today on the motion to recommit. Senator Wyers, Democrat, Montana, however, advocated recommitment and much of the day was given to a clash between him and Senator Watson.

The voting agreement involves holding the bonus question and the recommitment motion before the senate continuously until the roll call Friday. It was reached after Republican senators who continued to refrain from replying to Democratic assaults gave up hope of securing a vote either today or tomorrow.

Want Time for Discussion

Private overtures for a vote tomorrow were rejected by Democratic senators who insisted that ample time should be given for presenting the opposition arguments to the country. That President Harding had exceeded his constitutional limitations in asking the senate to postpone consideration of the bill was asserted by Senator Watson. The Republican move, he said was to send the bill "to a chloroform committee" presided over by a chloroform senator.

The Republicans proposed putting the bill to sleep forever was asserted by Senator Heflin. Senator Heflin charged that big money interests had contributed to the election of a Republican president and congress and now were saying "deliver the goods."

The same interests he said were threatening to cause a panic if the bill should be passed. He contended that the treasury was amply able to bear the burden of the bill. Benjamin Johnson of Oklahoma was a caller in the city yesterday.

thru tolerance, patience, good will and kindly feeling that he might be the vehicle for helping the world in its greatest need of the day.
The brief address was in that same vein of humility, of earnest desire to serve that has marked his other utterances.
OUR STATE POLITICS
All state interests are now centered about the grand jury investigation in Springfield, with reference to the alleged irregularities of Gov. Small and others in the handling of interest on state funds. It is entirely possible that indictments will be returned. In fact, that is what is to be expected but the public should clearly have in mind the fact that an indictment does not necessarily indicate guilt. All the facts should be brought to light before people make up their minds as to the guilt or improprieties in the conduct alleged.
The public would feel still more interest in the proceedings if certain of the sincerity of the prosecution—if it were not realized that bitter political strife is the basis of it all.

HARD ROADS COMING
It is a cause for real rejoicing that a contract for hard road construction on a considerable scale has been let in Morgan county. This should mean the beginning of better days for the county, and still greater things in roadway improvement. The letting of the contract will give employment to a considerable number of people in addition to the benefits from the actual provision for a longer stretch of hard road.
While there should be no jealousy because this particular stretch of road is to be paved, the activity in other parts of the county for securing hard roads will be increased. The greater the interest and activity the more the likelihood that still other contracts can be let.

HOT WEATHER TENSION
Compiled figures do not show that the unemployment situation is improving and some industrial disputes continue. It is not surprising that there are these differences in extremely warm weather. Have you ever noticed how easy it is to disagree when the days are extremely hot? The reason is that the average person under unusual heat conditions is overwrought and nervous and does not look at problems in just the normal way.
It's a safe thing to say that labor differences are caused by misunderstandings—the failure of the worker to get the viewpoint of the employer and the failure of the latter to understand how the worker views things. Very hot weather aggravates these misunderstandings.

H. C. L. DOWN 17 PERCENT
Between June, 1920, and May, 1921, the cost of living dropped 17 percent, according to figures of the U. S. Department of Labor. The Republican party made no overt promise to reduce the cost of living, but it did promise to restore the protective tariff policy, and it is doing so. According to long time Democratic argument such a promise alone should have boosted living costs. Nevertheless, they have decreased, and the Republicans are not press-aging the country to claim credit for it. In 1912 the Democrats made a solemn promise to reduce the cost of living by resorting to free trade. Near-free-trade was adopted and prices went up and tons of Democratic publicity were distributed in the attempt to create the belief that prices had declined and that to the Democrats belonged the credit. The Republicans have not sought to make political capital of economic law. The Democrats denied that the law was in operation.

ROODHOUSE MAN WILL RESIDE HERE
J. H. Loomis, New Instructor for Agriculture at High School, Buys Hardin Avenue Property—News Notes.
Roodhouse, July 12.—Ed. Ash and family were up from St. Louis for the week-end and fourth.
Joe Rawlings, little son of Dr. E. Rawlings, of Appleton, Mo., is here to spend the summer at the country home of his uncle, Ira E. Rawlings and family.
Mr. J. H. Loomis was in Jacksonville a few days arranging to enter upon his duties as teacher of agriculture in Jacksonville high school next term. Mr. and Mrs. Loomis will move to Jacksonville from Roodhouse the 25th, occupying property at the corner of South Hardin avenue and Superior avenue that they purchased recently from Mr. and Mrs. Robert Jones, who were former Roodhouse residents and who have bought other property in another part of the city. The place purchased by the Loomis' comprises a dwelling and six and a half acres of ground.
Mr. and Mrs. Frank Wolfe with their daughter, Mrs. Wolfe and her daughter drove down Haywood Minn., last week, stopping at Springfield, from where they were accompanied to Roodhouse by Mr. and Mrs. Will Neill. Monday they drove to East St. Louis to spend the week with Mr. Wolfe's brother, Ted Wolfe. They will return to Roodhouse next week for a visit with the Plahn and Hunt families.
Mrs. Georgia Hasman returned home last Friday from Patterson where she had been staying for the past six months with J. M. Sinder. She will remain at home for the present.
Mrs. Shrou of Beardstown, who has been for some time with a sister at Fulton, Mo., arrived in Roodhouse last Friday to stay and assist in the care of her sister, Mrs. George Benner who has been in failing health for a long time.
Mr. and Mrs. A. J. Sharon accompanied Mr. and Mrs. Howard Prince and little son, all of Carrollton, passed through Roodhouse last Saturday morning on an auto tour to Minneapolis and St. Paul where the Prices will visit relatives and Mr. and Mrs. Sharon will be guests of his brother Clair, with whom the Sharons will proceed to Duluth and other points in the far north and further trip. They will all be gone several weeks. Lucy May and Meda Sharon came as far as Roodhouse with a touring party Saturday and will stay with Mrs. James M. Orr and grandparents. Mr. and Mrs. John Jones, during their parents' absence.
Mrs. Georgia Hasman will leave next Tuesday for Kansas City to spend several weeks with her sons, Roy and Will Hasman, who are both located there now. Sink and Smith at the Hartwell ranch expect to their their wheat this week. They have two hundred and forty acres of fine wheat.

HORACE GREELEY'S ADVICE STILL HEEDED BY MANY
That Horace Greeley's advice, "Go West Young Man" still is regarded as sound by a surprisingly large number of people who are anxious to feather their own nests, is conclusively shown by a recent statement compiled by S. B. Howard, agent of the Home-seekers' Bureau of the Burlington road at Omaha, Nebraska.
The efforts of this bureau, the co-operation of the state immigration bureau and the several government land offices, 2,222,380 acres of dry land were home-steaded in the Buffalo, Douglas, Newcastle and Cheyenne, Wyoming land districts during the year 1920. In addition, about 10,000 acres of irrigated homestead land were taken up in the Shoshone, Wyoming, and North Platte, Nebraska, projects.
During the same period, 1,459 car loads of emigrant movables were unloaded at stations along the Burlington in western Nebraska, northeastern Colorado, Wyoming and Montana.
The estimated number of families received at western stations along the Burlington, recognized as new settlers and so reported by agents, totaled 5,592. And 1920 wasn't considered a particularly good year for homeseekers, either. But think of the increased production represented by these 5,592 new families, to say nothing of the increased market they present to the local clothing, drug, grocery, hardware and banking trade.

CADILLAC
Mr. Frank Leach, assistant cashier Farmers State Bank, has bought a four passenger Cadillac phaeton, from Bert Young, dealer.
ROAD DISTRICT SEVENTEEN TO RECEIVE FUNDS
Road district No. 17 in the northeast part of the county is to have the tax money collected for road purposes therein spent for the purpose intended. The affairs of the district have been in litigation for some time and an appeal was taken to a higher court from the Morgan county circuit court. Robert Hamilton and Clark Stevenson have been elected officers of the district but court action was brought to depose them. However, not long since Judge Jones ruled that it was proper that the tax money levied and collected for the district should be expended and delayed work will therefore proceed.

GAVE BIRTHDAY PARTY FOR MRS. JONES
Pleasant Social Event at Home in Murrayville—General News Notes.
Murrayville, July 12.—Mrs. S. B. Jones was very pleasantly surprised Sunday when about fifty relatives and friends came with well filled baskets to help her celebrate her birthday which was on Saturday, July 9th. A long table loaded with good things to eat was spread on the lawn under the shade trees and the dinner was served in cafeteria style. The occasion proved a very pleasant one in every way and late in the afternoon the guests departed wishing their hostess many happy returns of the day. Those present were, Mr. and Mrs. J. A. CHAMBER OF COMMERCE Notes and Comments
A force of carpenters was yesterday engaged building the partition that separates the reception room from the second floor auditorium and the directors' room, replacing locks and doing other needed work around the new quarters. Electricians were also on hand finishing the installation of electric fixtures.
The Weekly board of directors' meeting will be held tonight in the new rooms. Owing to the fact that President Rowe is out of the city the meeting will be in charge of First Vice President J. W. Merrigan. Plans for a summer program of work will be discussed at this meeting.
The Executive Committee in charge of the First Annual Round-Up is holding daily meetings and getting shaped up for a rapid fire working organization to put over this project in a successful manner. Chairman Brennan of the Finance Committee will get his committee in action some time Thursday. Notices to all committee men went out from the office yesterday notifying them of their appointment.
Committee Welch in addition to secret meetings and overseeing the work of moving is making every effort to meet all the members personally. He was conducted through the Illinois Woman's College yesterday afternoon by President Harker and was greatly impressed with the magnitude of the institution.
Notices to all members will go out in the first mail Thursday inviting the members to the Forum meeting on Friday night. There will be a number of fans installed for this meeting, refreshments and smokes will be ready. There will be a number of visitors from neighboring towns who are interested in the work of reorganizing the Ocean to Ocean Highway. This meeting will be in charge of Forum President Dr. Carl E. Black.
A large number of the members visited the new quarters Wednesday and expressed their pleasure at the classy appearance the new furniture and rugs and the taste used in the decorations.
The Finance Committee in charge of equipment will meet Thursday at nine a. m. to finish the work of purchasing furniture. This committee is composed of the following: Henry Frisch, chairman; T. A. Chapin, Harry M. Capps, J. S. Hackett and V. R. Riley.

Carrollton Man LOSES RIGHT ARM
Glenn Hartwick Thrown Beneath Train at White Hall Wednesday—Is Patient at Passavant Hospital.
Glenn Hartwick of Carrollton is at Passavant hospital with a severed arm, as the result of a railroad accident which occurred at White Hall Wednesday afternoon.
Hartwick, who is a Chicago & Alton section hand, was unloading ballast from a freight car at White Hall when the car suddenly moved forward, throwing him beneath it. The car ran over his right arm, crushing it severely.
The injured man was rushed to Jacksonville on a special train, accompanied by the C. & A. physician from Roodhouse. The train arrived in Jacksonville about 3:40 in the afternoon. It was met by a Cherry ambulance which conveyed Mr. Hartwick to Passavant hospital.
Dr. Carl E. Black, who was called to attend the injuries found it necessary to amputate the right arm of the patient. Hartwick is still at the hospital, and was suffering considerably Wednesday night from the shock.
Mr. Hartwick is twenty-two years old, and is unmarried.

NOTICE TO CUT WEEDS
The city ordinances provide for fine for persons who refuse to cut weeds on their property. Notice is hereby given to all property owners that these weeds, which are both unsightly and unsanitary, must be removed. Unless the ordinance is complied with voluntarily the city will have the work done and fines imposed. Conditions are such that this law will now rigidly be enforced.

Alleged Wife Slayer Taken
From Jail to Hospital

CHICAGO, July 13.—In an effort to save the life of Andrew Brykajlo, alleged wife slayer, who has been on a hunger strike in the county jail for forty days, Judge Charles A. McDonald of the criminal court today set Brykajlo's bonds at \$15,000, permitted the striker to sign them himself and then sent him to the county hospital under guard. Brykajlo shot and killed his wife, Katherine, last April and has been awaiting trial on a

charge of murder. Seven weeks ago he began his hunger strike and efforts to feed him forcibly have been only partially successful.

The prisoner according to jail officials said he persisted in his fast because of grief at his wife's death and a wish to rejoin her in death.

He became so weakened that his jailers appealed to Judge McDonald, fearing their prisoner would never come to trial unless emergency action was taken.

**BURIED THREE
IN ONE GRAVE**

NEW YORK, July 13.—Violation of a contract with the United States public health service whereby an undertaker had buried three former soldiers in one grave in a Long Island cemetery was disclosed today. Under the contract the undertaker was required to bury each former soldier in a separate grave after properly preparing the bodies for burial and providing suitable coffins of a specified standard.

Investigation today by the health service revealed that none of these requirements had been met.

**Your
rifle's life
is measured by the priming in the cartridges**

Every shot has some effect on the barrel. If you use a cartridge with an ordinary priming, the fouling attracts rust and digs little pits in the surface of the barrel. Coarse priming will scratch and wear the barrel.

These destroy accuracy, make the rifle hard to clean and keep clean, and eventually "wear out" the bore.

The U. S. Cartridge Company has developed a priming for car-

tridges which minimizes the effect on the barrel. This priming is in the famous N. R. A. 22s and all U S Rim-Fires. A rifle lasts longer at the time when it is most valuable—that is, when you have had it long enough to know it and regard it with real affection.

Be good to your rifle. Use only U S Cartridges. We sell them in all popular styles and sizes. Money back if not satisfied.

MOTORED THROUGH TO CALIFORNIA

H. C. White of 215 South Sandy street has received a letter from Lloyd P. Hall, formerly of the Hall cafe. Mr. Hall wrote from Oakland, California, where he arrived June 27, after an automobile trip from this city.

He reported a hard trip, with roads almost impassable in some places. Among other things, he had four broken springs, six tire punctures, and one blowout. Once the car was almost upset, and in Colorado it was washed off a bridge.

Automobile trouble, however, did not keep Mr. Hall from enjoying the scenery as he passed through.

A Moment's Thought for the BABY

Just a moment's thought for the baby. This is warm weather. It is uncomfortable and unhealthy. Keep her well supplied with fresh baby foods. A jar partly used may become stale.

Throw it away and get a new one. Keep her equipped with necessary toilet needs. A soap to wash her dainty body. A powder to prevent chafing or perspiration. A puff to apply the powder.

A sponge to use with the bath. All baby goods we sell. In finest qualities at fairest prices.

PLANS MATURING FOR 75TH ANNIVERSARY

Illinois Woman's College Will Observe Seventy-fifth Anniversary of Its Founding in September.

Plans are being rushed for the celebration of the seventy-fifth anniversary of the founding of Illinois Woman's College, in September, the climax of which will be a grand historical celebration.

The committee on dramatization and music has been appointed, and is hard at work gathering material and building it down to a consistency that will make it palatable and interesting to a general audience, as well as instructive to those who are more vitally interested in the affairs and welfare of the College.

Looking back a matter of fifty or seventy-five years, we are sensible of a rich flavor of romance inherent in the events and characters of those early times, obscured as it often is in general historical articles by a mass of dry, if necessary details.

It will be the object of the committee on dramatization to sift the gold out of this pay-dirt of dry facts, and present it in a form that will appeal to the ordinary observer, so that while being entertained he will unconsciously derive some genuine information, correct impressions of the times as they were, and an understanding and acquaintance with the characters of the great men who laid the foundations of the present college.

It is also proposed to have a choir and an orchestra to attend to the musical part of the pageant, the interludes, assemblies, parades, and like features, for which music is almost an indispensable adjunct. The libretto of the pageant will be published in pamphlet form, copyrighted and sold for a trifling sum, to help defray the expenses of the celebration. Rehearsals will commence just as soon as the libretto is in a shape to be used for the purpose.

DELAWARE TRIBE WILL GIVE BURGEOO

Will be Held at Nichols Park July 27—Many Other Features Planned for Day.

Members of Delaware Tribe No. 78, Improved Order of Red Men will give a burgeoo at Nichols park Wednesday July 27. Plans are being made to make it one of the biggest events of the season.

The soup will be made by Richard Leake, the veteran soup maker which assures it being of the best quality. In addition to the soup will be boating, fishing and athletic events to make the day one of pleasure for all.

Wesley Smith, Chief of Records of Delaware Tribe has received notification from O. L. Whitmer, Great Chief of Records of the Great Council of Illinois, informing him that the degree team of the tribe is one of those chosen to exemplify the work at Starved Rock in August. At that time the Red Men of the state plan one of the greatest outdoor pow wows in the history of the order. The work will be exemplified on top of Starved Rock and the setting is eminently fitting for work such as that contained in the ritual of the order.

The degree staff is practicing every week despite the hot weather under the direction of Charles McHatten. It is planned before going to Starved Rock to journey to the farm of W. G. Wolfe west of the city and work out of doors as there is considerable difference in putting on the work within four walls and out in the open.

At a recent meeting of camp 912 M. W. A. Harry Martin was initiated into membership. In fact, this special meeting was held for that purpose, as the date was the 17th birthday of the candidate. According to the laws of the order no person can become a member until he has reached his 17th birthday and this candidate wanted to be admitted on the first day possible.

Camp 912 is now making a special drive for new members and the goal is 200, within 60 days' time. Robert Ascher is venerable consul of camp 912 and J. Earl Vasconcellos is the secretary.

Eye Fatigue
Like other parts of your body, your eyes are subject to fatigue. Consequently, if they tire easily, something is wrong, and they should have immediate attention.
Eye-weariness shows itself in blurred vision, in headaches, in nervousness, in twitching of the muscles about the eyes, etc.
If you have any of these symptoms let us examine your eyes.

YANKS DRIVE SHOCKER TO SHOWERS IN HURRY
St. Louis, Mo., July 13.—New York drove Shocker off the mound today in less than four innings, making nine hits and seven runs off him and defeating St. Louis with a final score of 11 to 1. In the fourth inning, Pipp started with a home run, and shortly thereafter Mays hit a circuit drive with two men on base. He got only one hit in five attempts, this safety, however, sent Fester over with the first run in the initial inning.

SENATORS WIN FROM SOX IN WEIRD GAME
Nose Them Out by One Run, the Final Score Being 10 to 9 Pitchers of Both Teams Are Hit Hard.
CHICAGO, July 13.—(American)—Washington made it two straight from Chicago today by nosing out the locals 10 to 9 in a weird game. Chicago jumped out in the lead and drove Shaw off the mound, only to be tied up in the next inning when the Senators pounded Hodge hard including a homer by Garrity with two men on. The visitors then hit Mulrennan and Davenport opportunely. The Washington defense went to pieces in Chicago's ninth inning and the locals fell one run shy of tying the count, Schacht replacing Zachary and stopping the rally.

CASH GRAIN
REPORT

By Associated Press.

CHICAGO, July 13.—The sea-
board advised of good sales of
wheat and corn today for export
but gave no figures. There were
good bids for export oats in the
market here. Advanced prices
curbed the domestic shipping de-
mand for corn and oats.

Cash basis for wheat, corn and
oats were unchanged. Sales of
50,000 bushels of contract wheat
to go to store were reported. Ves-
sel room to Buffalo for 200,000
bushels of corn was chartered.

Carlot receipts were: wheat,
200 cars; corn, 95; oats, 66.
Local cash sales were 163,000
bushels of wheat including 150,
000 bushels to exporters; 10,000
bushels of corn and 20,000 bush-
els of oats.

Daily Market Report

UPWARD SWING OF
PRICE OF WHEAT

CHICAGO, July 13.—Rapid de-
velopment of black rust gave
fresh impetus today to the up-
ward swing of the price of wheat.
After showing gains of 5½c the
market closed nervous, 3½c to 4½c
net higher with September \$1.23½
to \$1.23½ and December \$1.30½
to \$1.31. Corn finished ½c to ¾c up
and oats up ¾c to 1c. Provisions
closed unchanged to 15c higher.

Wheat traders displayed special
interest in North Dakota dis-
patches saying that fields which a
fortnight ago seemed free from
black rust were today all badly in-
fected. Other dispatches declared
that crop conditions in the state
were worse than the trade gener-
ally believed and that hot winds had
cost millions of bushels. With
continued high temperatures and
the absence of rain, the rule in this
country and with no abatement of
the European drought, buying or-
ders took on large proportions,
and it was near the end of the ses-
sion before profit-taking on the
part of holders led to any mate-
rial setback. A leading elevator
concern was conspicuous in the
buying and another strengthen-
ing factor was urgent demand from
exporters for hard winter grades.
On the upturn, December delivery
touched the highest price yet for
the season.

Corn and oats showed independ-
ent strength as a result of small-
scale offerings. About
175,000 bushels of corn in store
here was posted as out of condi-
tion.

Provisions averaged higher with
grain notwithstanding weakness
in the hog market.

HARD ROAD WORK TO BEGIN IN THIS COUNTY

Contract Let Wednesday for 12.54 Miles

—Will Extend East Past Island Grove—

Contractor Lonerger Will Bring Equipment Here Soon and Start Construction

It will be good news for everybody in Morgan county that the state department of highways yesterday let the contract for the construction of a stretch of hard road in this county. The contract was let to Walter Lonerger for the construction of 12.54 miles of road at a total cost of \$288,628.50. This mileage will extend from the eastern terminus of the Morton avenue hard road to a point in Sangamon county a quarter of a mile east of Island Grove.

The bid for the work does not include the cost of the cement which the state supplies. The cost of the cement is about \$6,600 per mile, and this figure makes the total construction cost under this contract about \$295,228.50.

County Commissioners Wheeler and Mawson, together with L. V. Baldwin, county superintendent of highways, and A. E. Williamson drove to Springfield yesterday to consult with the department of highways and to use every possible influence to have the contract awarded. That they were successful does not mean that all the work was done yesterday, for a continuous effort has been put forth by the county commissioners and by a number of Jacksonville citizens to have road improvement work begin in this county this year.

R. Y. Rowe, who is on intimate terms of friendship with Col. Miller of the Department of Public Works, took the road matter up, aggressively both before and after assuming his duties as president of the Chamber of Commerce.

The members of the department have all along indicated their interest here and their willingness to award the contract if a contractor could be found who would make a bid within the limit of \$30,000 a mile, fixed by Gov. Small in connection with public improvement work. The matter was put up to Gov. Small yesterday and he approved the letting of the contract.

Mr. Lonerger was immediately notified by wire. He has road building equipment together with an industrial track in a county in southeastern Missouri, where it was expected that bonds would be issued and some work be undertaken this season. However the bond issue was not carried and Mr. Lonerger is therefore in position to immediately begin this construction work in Morgan county. It is understood that he will very shortly make shipment of his equipment and that the construction work will begin at this end of the line. The materials for the initial work will probably be shipped to Arnold.

Social Events

Liberty Aid Met Wednesday

The Liberty Aid society was entertained Wednesday afternoon by J. W. Marshall at her home on North Webster avenue.

Thirteen members answered roll call. After the business session, a social time was enjoyed, during which music was one of the amusements.

On account of the hot weather, there will be no August meeting.

Young People Enjoy Picnic

A number of young people enjoyed a picnic at the park last evening. About eight couples drove out to Nichols park and enjoyed a 5:30 picnic supper. They remained in the evening for the dance. Miss Dorothy Cully organized the picnic.

Entertains for Kentucky Guest

A charming affair was given Wednesday noon by Mrs. Thomas Worthington at her home on Grove street, in honor of Miss Anita Thomas, of Frankfort, Kentucky, who is a guest at the Worthington home for a few days. About twelve guests were invited to meet Miss Thomas between the hours of eleven and one. At noon a delicious luncheon was served and the event proved in every way to be one of the most delightful of the season.

To Give Social Tonight

Some of the members of the Westminster church are planning to give an ice cream social this evening on the lawn of Miss Eleanor I. Moore's home, 829 West State street. Home made cake and ice cream will be served for several hours this evening and no doubt many people will take advantage of the opportunity to obtain something cool and refreshing on a warm evening such as we have been having lately.

U. C. T. Picnicked At Nichols Park

Members of the U. C. T. Woman's club gathered at Nichols park Wednesday evening for an informal picnic. A basket supper was enjoyed by those present.

The affair was in honor of Mrs. Gerald Taylor, a charter member of the club, who is expecting to move to the city of Springfield in August. Mrs. Taylor was presented with a silver berry spoon, as a token of the high esteem in which she is held by the women of the club.

Westminster to Hold Annual Picnic

The Westminster church and Sunday school will hold their annual picnic Friday afternoon and evening at Nichols park. All the members of church and Sunday schools are to go out to the park at 4 o'clock. Swimming, boating, games and other sports will fill the afternoon. At 8:30 o'clock a big picnic supper will be served. The ladies of the church are to bring sandwiches and all kinds of other picnic dishes for this big event. W. J. Brady, the superintendent of the Sunday school is in charge of the picnic.

First Baptist Pastor's Aid Society Met

The Pastor's Aid society of First Baptist church met in the church parlors Wednesday afternoon at 2:30, with a good attendance. Circle number two entertained the other circles at this meeting.

In the absence of the president, Mrs. E. O. Mayer, vice president, had charge of the business part of the meeting. After this, a brief program was given by members of the entertaining group. This included a piano duet by Miss Carrie Spries, and Mrs. Hazel Wood Meyer, a reading by Mrs. Carl Weber, a piano solo by Mrs. Albert Brown, and a talk by the acting pastor, the Rev. A. P. Howells.

Refreshments were served by a committee consisting of Miss Mary Laurie, chairman, Mrs. Walter Mumbower, Mrs. A. Young, Miss Dollie Bowen and Mrs. Charles Patrick.

Mrs. Gertrude Richardson is chairman of Circle number two.

Brooklyn Aid Met Wednesday

The Ladies' Aid society of the Brooklyn M. E. church held its regular monthly meeting and its July birthday social Wednesday afternoon at the home of Mrs. J. A. Walters, 1127 South East street. Assisting hostesses were Mrs. George Belzger, Mrs. Elmer Beasall and Miss Mary Goheen. About thirty members were present.

After a brief business session, an informal program of readings was given. The first number was by Miss Dorothy Dunavan. Other readings were given by Miss June Haslett, thirteen year old granddaughter of Mrs. Lee Wiegand of East Michigan avenue. Miss Haslett, whose home is in Chicago, is a trained elocutionist. She responded to several encores, and made a very favorable impression on the members of the society.

Refreshments were served at the close.

THE BIRTH RECORD

FOUR ARE INJURED IN AUTO ACCIDENT

Automobile Strikes Horse and Buggy on State Road Near Orleans—No One Seriously Injured—Horse Had to Be Shot.

Four young men, residents of the eastern part of Morgan county, were injured in an automobile accident which occurred just south of Orleans about ten o'clock Wednesday night. None of the injuries are expected to prove fatal.

C. M. Dannerberger, aged 20, of Orleans, was driving a car which belonged to his father, a farmer of that vicinity. He was accompanied by another young man. On account of the heavy dust filling the air along the road, the driver failed to see a buggy coming from the other direction, and ran headlong into it. Earl Crawford, aged 22, of Franklin, and Calvin Buchanan, aged 22, of Jacksonville rural route 6 were the occupants of the buggy. Both are farmers. Buchanan is employed by James Dobyns.

The companion of the auto driver escaped with only slight scratches. The other three were injured more seriously, and were taken to Passavant hospital, where two of them remain. Dr. Carl E. Black was called to dress the wounds.

Dannerberger, who was driving the automobile, was the one most seriously hurt. He had scalp wounds which made necessary several stitches, and had also a bad bruise on one arm. Though he was in only a semi-conscious condition at midnight, it is thought that he will soon recover.

Buchanan, the driver of the buggy, had injuries about the body, but was able to get up and walk about.

Crawford, the other occupant of the buggy, was not seriously hurt. He did not remain long at the hospital.

The windshield and top of the automobile were demolished. The buggy, which was the property of Mr. Buchanan, was also badly damaged. Both forelegs of the horse were broken by the impact of the car. Its sufferings were ended by Dr. Charles E. Scott, who was called upon to shoot it.

An error was made in announcing the date of the chicken and fish fry which is to be given on August 11 instead of August 12.

COMMITTEES ARE NAMED BY C. OF C.

Arrangements Are Made for the Big Roundup to be Held Here Here August 4, 5 and 6.

At a meeting held Wednesday morning, the executive committee of the Chamber of Commerce appointed several special committees for the big roundup to be held here August 4 to 6. Mayor E. E. Crabtree, general chairman, presided. The committees appointed were as follows:

Publicity—W. A. Fay, chairman; Ben Roodhouse, Harrison King, W. A. Berryman, Tom Buckthorpe, Ralph Withey, G. H. Kopper, William McNamara, Clarence York, C. M. Strawn, J. F. Berger, H. E. Wheeler, Charles Stark, Justus Wright, Harlan Williamson, Elmer Henderson, William Floreth, Jr., and Jesse L. Henry. The duties of this committee is to advertise the round-up in the surrounding country and towns for a radius of thirty miles.

The finance committee was appointed as follows: E. A. Brennan chairman; Lloyd Hamilton, Stanley Wright, Fletcher Hopper, A. L. Taylor, Dennis Schram, H. A. Breeden, Dr. Rule, W. S. Elmie, Hugh Green, W. H. McCarthy, and A. R. Taylor. The duties of the finance committee are to secure pledges from the citizens of Jacksonville to guarantee the necessary funds to stage this performance.

Ground committee—Earl Wiswell, chairman; Henry Frisch, Joshua Vasconcellos, S. G. Chumley, W. E. Spoons, Basil Sorells, E. M. Henderson, Lee Sullivan, H. L. Caldwell, and J. W. Merrigan. The duties of the ground committee are to arrange for the location and to oversee the building of the arena and the seats, also to arrange for ticket offices, etc.

Arrangement committee—John W. Larson, chairman; J. W. Elliott, C. Y. Rowe, E. L. Kinney, Carl Hook, Marcy Osborne, Harry Clement, Harry Walker, C. Frank Leach, F. E. Farrell, Paul Samuels, and Wood Phillips. The duties of this committee is to arrange and look after tickets, ticket sellers, ticket takers, policemen, etc.

Auto parking—W. G. Benson, chairman. This committee is to arrange to handle the parking of automobiles and the traffic in and out of the grounds. Personnel of committee announced later.

The concessions committee will be announced later.

Ice cream and hamburger social in school yard at Woodson tonight.

PETER RANSON LEFT VALUABLE ESTATE

Inventory in the estate of the late Peter Ranson was approved by Judge Samuel in the probate court yesterday. This inventory, filed by Frank W. and William K. Ranson, the executors, indicates an estate of considerable worth. Mr. Ranson owned 170 acres of land of very fine quality in the Point neighborhood. Most of the remainder of the estate was invested in securities.

Some of the items shown in the inventory are: War savings stamps \$1,000; Liberty bonds \$15,000; bonds of various utility companies \$8,500; bonds of the Beaumont Light & Power Co. \$22,000.

Miss Mary Puhl expected to start for her home in Los Angeles, Calif., last evening after a pleasant visit of six weeks with her mother, Mrs. Elizabeth Puhl and other friends in and about Franklin.

WEATHER WAS HOT WEDNESDAY

George H. Hall, volunteer U. S. weather observer at Alexander, reported the mercury as registering 102 degrees Wednesday. This is the hottest day so far of the present summer.

No relief is promised in the immediate future, though thunder showers are predicted for Friday. It was raining in Waterloo, Iowa, and Rockford about midnight last night.

It may be that this rain will eventually reach here and may result in bringing the temperature down.

Mrs. Dora Peel and son were over to the city from Virginia yesterday.
